Chinese Tui na Massage Certificate program

ICTCM of Vancouver has provided students with the academic excellence in Traditional Chinese Medicine (TCM) since 1986. The College continues to offer the best instruction in the TCM program to those with a sincere interest in the study of the wisdom and benefits of the Chinese medical tradition. Other than the diploma programs, the College offers a 120-hour Certificate Program on Chinese Tui na to meet the requirement of the cities of business licenses and to meet the general interests of prevention and energy healing.

Objectives

The objectives of this program are to train interested students to become higher standard healing therapists with the skills of Chinese Tui na massage techniques in a reasonable time frame. The concept of healing therapy is to focus on disease prevention, heal of illness, relaxation and stress relief.

Program Description

This program is intended to teach students the alternative therapy and techniques of Chinese Tui na massage, it will also include Moxibustion, Cupping, Scraping (gua-sha) for different health conditions.

Meridian Tui na and Qi gong Tui na are also introduced In the program to enhance the effectiveness of prevention and healing.

Program Length: 11 weeks

Total hour: 120

Application and fee: \$184.00 (international student: \$284.00)
