

Capria Care Collective

101-1060 Austin Ave

Coquitlam, BC

"Care for people who care for people."

Informed pregnancy and postpartum care all parents deserve. We are a value-driven, multi disciplinary team supporting baby-makers of all ages, stages, and identities. Whether they are dreaming of a baby, growing one now or if they've given birth at any point in their lives.

Your mission:

provide relaxed and therapeutic care for those who need it most, in a safe, comfortable and welcoming space.

Your values and commitments:

Body Equality: We know health happens at every size, and we take a body-neutral approach to treatment. Our goal is to give all bodies the care they *absolutely* deserve.

Social Justice: We're actively learning, listening, and decolonizing our beliefs so we can create safe, equitable, anti-racist, and gender-inclusive spaces.

Reconciliation: We operate on the traditional, ancestral, and unceded territory of the Kwikwetlem First Nation and we're always learning to be better allies.

Your space:

- Newly renovated and designed intentionally by an interior designer
- On-site parking
- The common space is bright, vibrant and full of natural light

- 3 spacious treatment rooms for treatment, charting, and demonstrating homecare exercises
- Pilates reformer, gym, and stretch area to maximize your and your patients' homecare
- Ground floor access on a busy street for increased foot traffic

Our atmosphere:

- Multidisciplinary clinic with physiotherapists, acupuncturists, massage therapists, clinical counselors, and naturopathic doctors.
- Warm and supportive environment

What's included:

- Flexible schedule, Monday to Sunday
- Financial incentives that encourage increased caseload, continued education, and practitioner retention.
- Virtual assistant and direct billing
- Full access to patient charts upon departure
- Inclusive environment
- Online booking and shift scheduling via JaneApp
- Hydraulic massage table
- Treatment linens and laundry
- Body pillow system (pregnancy pillow) for patient comfort in prone position supplied to each room
